

Minority and Women Owned Businesses

The State of Vermont is required to establish and monitor a minority outreach program to ensure the inclusion, to the maximum extent feasible, of minority and women owned businesses in HOME program activities.

To that end, VHCB will make available to grantees the Vermont Agency of Transportation listing of minority and women-owned businesses. This listing is updated monthly. If you would like to receive the listing directly, call the Office of Civil Rights and Labor at 828-2717.

Other organizations that can be used as resources to locate minority and women-owned business include:

Jayco Enterprises
