The Vermont Farm & Forest Viability Program (VFFVP), a program of the Vermont Housing and Conservation Board, provides opportunities for Vermont forestry and forest products businesses to receive custom-tailored, on-site business planning and technical assistance. Our program staff works with forestry and forest products businesses to find a consultant, or team of consultants, with the skills required to help those businesses achieve their goals. In some cases participating businesses already have a consultant they wish to work with; in most cases we identify consultants or advisers from our broad network of service providers who specialize in the sector. Once the right consultant is identified, VFFVP pays him or her to work one-on-one with the participating business owner and follows up on their progress. Select businesses that need advanced venture coaching and meet additional criteria will be matched with the Vermont Sustainable Jobs Fund’s Business Management Coaching program.

ELIGIBILITY & SELECTION PROCESS

Eligible businesses include wood lot owners, foresters, logging operations, sawmill and kiln enterprises, and woodworking/manufacturing businesses of any scale. The following three conditions must also be met:

- You must have at least 2 years of experience managing this or another related business
- Your business must be based in Vermont
- Your business must be primarily involved in the harvesting, production, processing, storage, marketing, and/or distribution of local forest products

Applications will be selected based on clarity of the proposal, how well the proposal meets the program’s objectives, and the readiness of the project. In some cases waivers are available for businesses that don’t meet the eligibility requirements. Applications are accepted at any time of the year. If your application is selected, VFFVP staff will pair you with an advisor to provide one-on-one services.

ENROLLMENT

There is a $75 fee to enroll in the Vermont Farm and Forest Viability Program. Please submit the $75 enrollment fee check with your application. We will return your check if we are not able to enroll you in the program. Farms or businesses that are owned by a non-profit organization or foundation, or are supported by a non-profit or foundation are required to pay a larger fee. If your farm meets this definition, please contact program staff (contact information below).
INSTRUCTIONS

1) Complete the attached application form,  
2) Enclose a $75 check or money order made out to VHCB, and 
3) Mail to: Vermont Farm Viability Program  
   VHCB, 58 E. State Street, Montpelier, VT 05602

Please contact Liz Gleason, Program Coordinator, at 828-3370 or liz@vhcb.org with any questions.

CONFIDENTIALITY POLICY

Vermont Housing & Conservation Board (VHCB), as a public instrumentality, is subject to the Vermont Public Records Law, 1 VSA § 315. The statute contains specific exemptions for tax-related information of persons, personal financial information of an individual, and trade secrets. Therefore the information submitted by businesses, other participants and service providers to VHCB will be held in confidential files at VHCB and will not be available for public inspection under the Public Records Law.

VHCB considers the following information about businesses and other participants to be subject to public record: names of businesses, business owners, farms and other participants that have applied to or are enrolled in the program; their town of residence; type of farm or business; and the purpose and amount of any implementation grant or technical assistance award applied for or received.

VHCB staff will require copies of completed farm business plans for several reasons: (1) to monitor quality of work conducted by those receiving VHCB funds, and (2) to collect data in order to measure the success of the Program over time.

Business plans contain confidential financial information, such as past and projected income statements. Business plans may also contain trade secrets and marketing strategies that business owners or other participants wish to keep confidential for reasons of competitive advantage. Business planners and technical assistance providers must agree to keep business plans confidential to protect business owners’ interests, but must agree to furnish copies of completed business plans to VHCB staff. Notwithstanding the Records Law exemption, when VHCB shares business plans with selected staff of the Program’s statutory administrative partner, the Agriculture Agency, or with selected staff of the Viability funding organizations or agencies – private foundations and USDA Rural Development—strict confidentiality guidelines will be followed. Staff or contractors who are approved for viewing business plans will not be allowed to make copies, or to share information from the plans with any other person. When plans are removed from VHCB files for inspection, the approved staff will be required to sign for the documents, and sign again when they are returned to the files.
FORESTRY AND FOREST PRODUCTS
BUSINESS APPLICATION

A. CONTACT INFO:
Applicant Business Name: ________________________________
Contact Name(s): ______________________________________
Mailing address: ________________________________________
Town: ____________________________, VT Zip: _____________ Email: ________________________________

**F. ADDITIONAL INFORMATION – Please attach answers separately.**

1) A description of the business, including:
   - A brief history and the number of years in business
   - A description of the products made or services provided
   - The scale of your business (production volume or throughput, number of jobs per year, etc)
   - And your markets: Who do sell products/provide services to? Where do you source materials?

2) A short description of who manages the business, including their experience and expertise.

3) A description of why you are applying to this program (including any ideas or plans for changing or improving your operation).

4) A summary of any technical assistance you are already receiving.

5) A short description of your use of Vermont wood or forest products, for example:
   - % of the wood you purchase or process that is from Vermont forests
   - % of the acres you log that are in Vermont

6) Attach financial statements (ex. income statements, balance sheets) for the past 1-2 years. **(Optional)**
